Radford, Virginia

Dear Brother Walker:

Your letter was appreciated by me for several reasons. It has been one of the brightest aspects of the work here to me, the support being given the Radford work. Having always been inclined toward mission work the part that Broad Street is doing made me appreciate the congregation that much more.

Our work seems to be getting off to a good start. The weather has been of no help whatsoever. In spite of it we have been having very encouraging crowds for all of our services. The elders and deacons are giving me real support and seem to be willing to progress in all phases of our work.

Please accept this letter as a genuine expression of my sincere interest in the work you are doing at Radford. It is my desire that our relationships will be many as we both serve the same God and work under the same eldership. I hope to become personally acquainted with you and your family. If I can be of help in any way at any time please feel free to call on me.

Give my best regards to the Phillips family.

Fraternally yours,

John Allen Chalk
